Mr. Gerard Brendsen,

Dear Sir,

### Open Questions

Greetings from EHED Caritas Trincomalee Sri Lanka,  
Thank you for your e-mail dated 24<sup>th</sup> February 2012.  
As per your e-mail,

- **De Mello Home Project:**

1. The playground was leveled and completed and children have been provided with net ball accessories.

2. Home garden was established during the rainy session in the playground and now the fruit trees have been planted with some vegetable crops. Coconut palms have been planted around the playground.

3. De Mello home toilets' painting was done using epoxy paint for the floor and for the walls in the existing building as per your instruction.

- **Forms from Health authorities:**  
Regarding the forms from health authorities, we can only get the information regarding mal nutrition details but no forms are issued by them. Further this is subject to Government regulations as well.

Thanks & regards

May God bless you
